Michigan Standard Alloys, Inc.
1256 Milton Avenue
Benton Harbor, Michigan 49022

ATTENTION: Mr. J. Fowler, Vice President

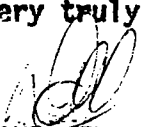

Gentlemen:

Your application for a Permit to Operate the milling and screening process with baghouse control located at the zinc plant, 1256 Milton Avenue, Benton Harbor, Michigan has been evaluated. Identified as No. 476-73, this application has been approved by the staff in the name of the Michigan Air Pollution Control Commission pursuant to the delegation of authority entered by the Commission.

This approval is based on and is subject to compliance with all Commission rules and conditions stipulated in the attached supplement.

Thank you for your cooperation. If you have any questions, please contact this office at (517) 373-8630.

Very truly yours,

DAVID FERRIER, Engineer
Air Pollution Control Division
